

## **Foster Adoption Friendly Church Ministry Training**

Foster Adoption Friendly Church Ministry Training is for pastors and lay leaders interested in starting a Foster Adoption Friendly ministry in their local church.

- Attendees will:
  - Identify and develop their vision and mission statement
  - Uncover the direction and values of their ministry
  - Learn how to appropriately engage church leadership and the members of their congregation
  - Network with other churches who have a foster adoption friendly ministry
  - Learn how to recruit and maintain volunteers, including training a support group facilitator
  - Receive a 12month planning guide
  - Receive Foster Adoption Ministry resources to help equip parents on their foster adoption journey
  - Walk through a template for managing a foster adoption support group

“The greatest benefit of the Project 1.27 Foster Adoption Ministry Leadership training was helping our team get organized from our vision statement to ideas of ways to better support families that have heeded the call to adopt.” ~ Grace Place Pastoral Care Pastor–Berthoud, CO.

Contact Project 1.27 for more information on a training in your community.
